Is there anything else you would like us to know or additional menu items you would like to add?

This is a brand new truck. The image we're sending is not the completed version. Our new menu and truck is different than anything else you have at the festival. We had a great time 2 years ago. We were marked down because we ran out of our main selling item late Saturday evening. The item we were selling takes hours to prepare and we were told by many of your vendors who have been there for years to not over prep for Sunday. So, that's what we did and we scrutinized for it. It was a business decision that doesn't way on any board members shoulders. Profit or loss. Thats what it came down to. Please give us another chance. We have great food!
